

Suzanne Kelly

Suzanne Kelly is CEO and Publisher of *The Cipher Brief*, a national security-focused media company with more than 80 security-related experts. *The Cipher Brief* provides original and curated content and offers a free newsletter to subscribers. Kelly and her team successfully launched *The Cipher Brief's* first Annual Threat Conference in June, 2017 and the second conference in April, 2018. Prior to founding *The Cipher Brief*, Kelly was the Intelligence Correspondent for CNN, where she co-founded, co-developed, and served as co-editor of CNN's national

security website. She previously worked as an Economic Reporter in Germany and as a freelance warzone correspondent in Kosovo and Macedonia.
